

Laser Skin Resurfacing & Rejuvenation

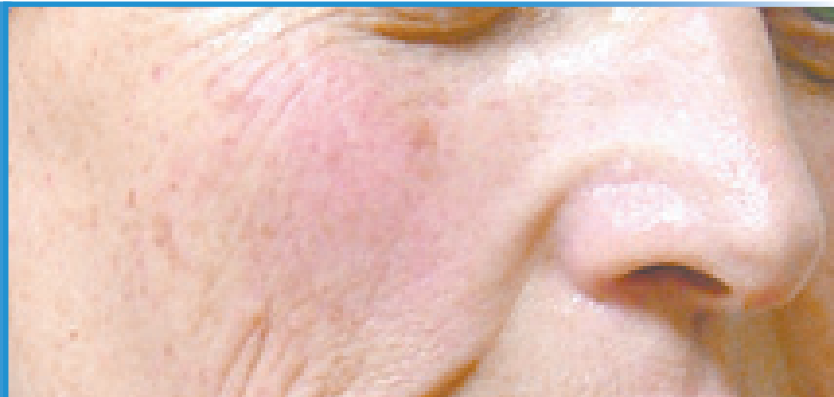

3 Technologies+60 Days = A complete skin rejuvenation

Rejuvenate your skin with *Laser360™*. It's an exciting new aesthetic laser treatment that combines three revolutionary technologies to deliver softer, younger-looking skin in just 60 days.

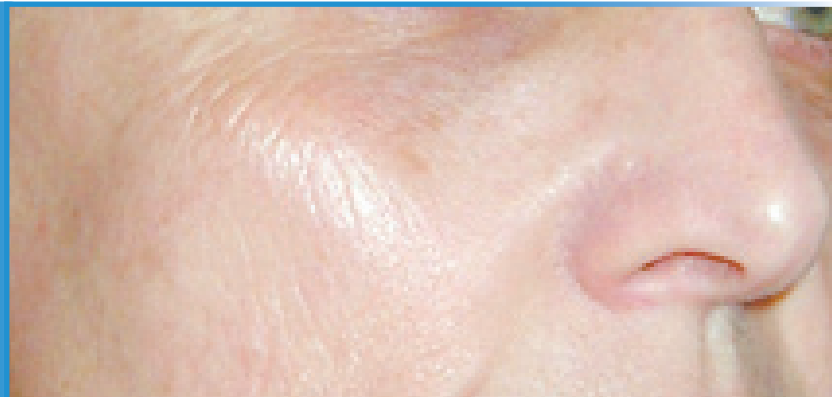

The Laser360 skin resurfacing and rejuvenation treatment reveals brighter, younger and healthier-looking skin, from the inside out. It treats fine lines, wrinkles and discolorations from deep within the skin to give you a lasting new, revitalized look.

LASER SKIN CARE - HOW LASER360™ IS DIFFERENT

Laser360™ skin care combines multiple technologies to treat the most common symptoms of premature aging: color, texture and skin tightness. Laser360 is different from other skin rejuvenation systems, because it's non-invasive and customized exclusively for you.
